Offshore Hydrocarbon Mapping plc

Offshore Hydrocarbon Mapping plc restructures Board

Robert (Bob) Auckland has now taken up his position as Finance Director. Concurrent with his appointment, the Company is progressing with the evolution of its Board, reflecting its development from a University spin out to a significant public company.

Dr. Tony Raven, Professor Martin Sinha and David Norwood, who were instrumental in the formation and initial development of the company and key members of the pre IPO board are taking this opportunity to retire. Professor Sinha will continue to contribute his expertise to the company's technical advances through the continuation of his consulting contract.

OHM's Chairman, Dr. Pierre Jungels, said: "I would like to express my gratitude for the individual and collective assistance from Martin, Tony and David in building the company into an important provider of valuable services to the oil and gas exploration industry.

'The new board structure is designed to take OHM forward in these exciting times where we see a growing order book resulting from increased industry recognition of the value of the information provided by our controlled source electromagnetic surveys.'

The OHM board now consists of:

Dr. Pierre Jungels Non – Executive Chairman

Dave Pratt	Chief Executive Officer
Dr. Lucy MacGregor	Chief Scientific Officer
Bob Auckland	Finance Director

Landon Clay	Non-Executive Director
Garry Jones	Non-Executive Director
Keith Lough	Non-Executive Director
